true india lies in its villages. to understand nature, one has to get close to traditional lifestyle of villagers. a herd of buffalo wander back from the fields, a blue jays dart overhead, smoke rises from the cooking fires and the aromatic smell of spices flood the air. women in brightly coloured saris carry water from the well and children play on the path.

"spend your holidays in the arms of rural tourism."

exotic tours is not for everyone...only for those that wish to travel smart and add that something "extra" to their vacations. exotic tours are the ultimate experience for the discerning traveler in search of unique, off-the-beaten-path exploration. discover the present and explore the past, listen to the stories, sample the foods, talk to the locals; see things from a different perspective.
true meaning of exotic tours is like "gaining experience as a local rather than a tourist".
